I. MODUS OPERANDI- Select a place of tourist interest from India- preferably a place close to your city. Take up the initial spade work of researching about the place to collect relevant information, pictures, photographs and video clippings. Talk to people who have lived there for many decades to gather little known facts about the place. Now, lay out the pictures and make your narration interesting.

- a. Arrange the pictures in a logical sequence and write captions for all the pictures, telling what the picture is about.
 - b. Write the introductory lines, concluding lines and remember to put in the credit at the end of your presentation.
 - c. Underline the adjectives used in the captions.
- II. Pick out any two words from the newspaper every day. Write their meanings and make sentences of your own in English notebook.
